

Dear Parents, Carers and Families,

We are delighted to be able to say that following our Ofsted inspection last month we continue to be the GOOD school that your children deserve.

Please find attached the link to read the report itself <https://bitly.co/Pg6a>

There are lots of positives and it reflects the hard work the staff put in and the enjoyment and happiness that the children feel about being at Dame Janet.

With our continuing recognition as a GOOD school and our above average results in Early Years, Phonics and at the end of Year 6 we are very proud to be able to give the children 'the support they need to develop into well-rounded individuals who are ready for the next stage of their education'.

We thank you for your continued support and hope you'll join us in celebrating this achievement.

Kind regards

Mr Atkinson

Executive Headteacher
